ok i thought that both were good
Pk retreat was great. a good change was the laser tag. Jeff said we will probably keep doing that. also hopefully we will be back to maranatha next year.

Empower was good. the only thing i didnt like which i dont know was a misunderstanding or what but for an event this big we need a whole band. it could be anybody but if the spirit takes w huge lead during worship a whole band that works together cand lead better than one guitarist. that was the only fair part but other than that is was great.

Fred,

Here is a small report about what is taking place here at MNU:

The students are back on campus and the new semester is in full swing. It is hard to believe we are already half way through the academic year. Exciting things are happening: Spring Break mission trips are being planned; auditions for the spring play are taking place; men's and women's basketball games are happening; baseball, softball and track are gearing up for their seasons; but most importantly God is moving in the lives of our students. Our campus community is also getting ready for our Spring Revival in February. Please keep us in your prayers that God's spirit will move in a mighty way.

Does that work?

Lisa ☺
