Or a Participant may have 1 Entry in Vocal Solo, 1 Entry in Instrumental and

If the Directors or Judges find that a Participant has more than 3 Entries total or more than 1 Entry in a particular category or medium, then the Director or Judge will ask the Participant which Entry he or she would like judged. If the Participant is unable to be reached, the Director or Judge will decide which Entry should be judged in order to bring Participants total Entries to only 3.
